Past Employment: 07/95 – 09/2001, Hart Wilcox Production Company, Colchester, Essex
Positions held: Conference Production Manager, Project Manager
Experience: Hart Wilcox Production Company was primarily an exhibition contractor offering Design and build facilities with a good element of project management and graphic design skill. Over the years the company evolved into a marketing and communication company Operating successfully in the fields of multimedia, corporate print, event production and Management to include corporate events, conferences, road shows and exhibitions. Thus offering a total concept package in design, media and production facilities.

I was with Hart Wilcox for 6 years, from YTS trainee status and have trained in every discipline in event and exhibition production.

Towards the end of my employment with Hart Wilcox my primary job task was the running of the conference and special events department. This encompassed Technical production, project management, venue liaison and client logistics.

I found managing and producing major events (100-380 k) the most rewarding aspect of my position at HW.

I enjoyed the responsibilities and challenges of being a team leader of projects with crew/cast in excess of 150 people.

Annual Responsibility: Approx 80- 90 events with a value from £5000 to £380,000 per event

Past Employment: 06/93 – 06/95, MM Productions, Colchester
Positions held: Apprentice Sound Engineer / Wire Man, Systems Technician
Past Employment: 01/90 – 02/93, Mercury Theatre Colchester
Positions held: Casual Rigger
